

Attendance Policy

To fully benefit from the instructional program, students are expected to attend school regularly, be on time for classes and satisfy all course requirements. Poor attendance or excessive tardiness may result in failing grades, or return to student's neighborhood school.

Report an Absence

CALL 813-971-5151 or EMAIL: attendance@bdchs.org by 9AM

- It shall be the responsibility of the student's parent or guardian to explain a student's absence to the designated office in person, by telephone, or by email. Parents/guardians are expected to notify the school the day of the absence. Schools may require additional documentation upon a student's return.
- The school shall make an effort to contact the parent or guardian on the day of the absence whenever a student's absence has not been explained.
- Records of telephone calls or parent/guardian contacts shall be retained by the school for future references.
- Students not in class at least one half of the class period shall be counted absent from that class. Students in attendance for any part of the day are counted present for the day, but shall be counted absent for any class missed.

Excused Absences

Examples of excused absences are:

- an illness of the student or a medical or dental appointment; a doctor's statement may be required by school officials;
- an accident resulting in injury to the student;
- a death in the immediate family of the student;
- an observance of an established religious holiday; documentation of the religious affiliation of the student may be required by school officials; in secondary schools, absences on approved religious holidays shall not cause a graduating senior to forfeit quarter four, second semester exam exemption;
 - Note: If the religious holiday observance cannot be identified as a traditionally well-known day such as Rosh Hashanah, school officials should require a note from the parent/guardian and a letter from the leader of the faith organization stating that the day, if celebrated, would result in an absence. If the letters are submitted, the absence should be excused and also recognized as an established religious holiday that does not impact any attendance incentives including exam exemptions.
- a pre-planned absence for a personal reason that is acceptable to the principal or designee. To request consideration that a pre-planned personal absence be excused, a parent/guardian must make the request in writing to the principal or designee at least three (3) days prior to the date of the absence. (Email jbangle@bdchs.org). The parent/guardian will be notified of the decision.
- a subpoena by a law enforcement agency or a required court appearance;
- an emergency for a reason acceptable to the principal or designee for an emergency, such as severe weather conditions; a major personal or family

problem; fire, flood, or other major damage to the home; an accident on the way to school; or a breakdown of the public bus (failure to pick up the student).

- Under certain conditions, students may apply to be released for a maximum of one hour per day for religious instruction at an off campus site. For further information, the parent/guardian should contact the principal.
- College visits by students shall be considered an excused absence. School business shall be granted for college visits only if a visit is required for admission and is documented on the college letterhead.

Unexcused Absences

Unexcused absences are absences that:

- are not accepted as excused;
- are caused by truancy of the student;
- are caused by an out-of-school suspension;
 - A student suspended out-of-school shall receive a grade of “zero” for tests and/or graded work missed.
 - A student who receives an unexcused absence shall receive a grade of “zero” for tests and/or graded work missed.
 - A student found truant from school or any class period(s) shall receive a grade of “zero” for tests and/or graded work missed.

STUDENTS WHO ARE ABSENT FROM SCHOOL ARE NOT PERMITTED TO PARTICIPATE IN SCHOOL RELATED EXTRA CURRICULAR ACTIVITIES SUCH AS CLUB OR SPORTS COMPETITIONS, PERFORMANCES, CELEBRATIONS, ETC.

Make-Up Work

A student who has been absent and whose absence is EXCUSED is permitted to make up the work missed, provided that the student makes arrangements with teachers within three days of the student’s return to school. It is the student’s responsibility to make these arrangements. Make-up work must be submitted within the deadline(s) set by the teacher(s). Students on school business shall be counted present and be allowed to make up work missed.

If a student is making up work when grades are due, the student shall receive an “Incomplete” on the report card and upon completion of the required make-up work within the deadline set by the teachers, the grade will be retroactively corrected in the student data base. If the student fails to complete the make-up work within the deadline set by the teachers, the grade will stand without completed work.

Incomplete Grades

When a teacher gives an incomplete grade, the grade becomes an “F” if the work is not made up during the first three weeks of the next grading period, unless special arrangements are made. Incomplete grades are not given at the end of the second semester, unless special arrangements are made.

School Business

Examples are:

- an academic activity directly related to the instructional outcomes of one or more courses;
- participation in a regularly scheduled, school-sponsored athletic event;
- a summons to one of the school offices;
- other approved activities such as Student Government, National Honor Society, pep rallies, class meetings, club meetings, senior graduation activities or an event that is designated by the principal at which the student represents the school and is approved by the principal.

Student Absence Notification

- Students and parents/guardians must provide school personnel with accurate telephone contact numbers (home and work for parents or legal guardians) and ensure the number(s) are correct if there is a change during the school year. This information must **be given on the emergency contact card provided by the school at the beginning of the school year and updated as changes occur.**
- Parents/guardians are expected to call the school by 9 am when students are absent for all or any part of the day to report the absence. Parents/guardians must contact the school within 24 hours of the absence in order to be considered for excusal.
- If the parent/guardian does not call, school personnel shall attempt to contact the parent/guardian at home or at work if necessary to verify the student's absence. Additional documentation may be required to verify the absence.
- When a student accumulates five and/or ten absences during a grading period, a letter shall be sent to the parent or guardian unless school personnel have informed the parents/guardians previously.
- According to 1997 Florida Legislature, schools report to the Department of Highway Safety and Motor Vehicles the names of minors who accumulate fifteen unexcused absences in a period of ninety calendar days, thus making the student ineligible for driving privileges. The legislation further provides that those minors who fail to satisfy attendance requirements shall be ineligible for driving privileges. If the minor does not have a license, he or she shall not be issued one upon application. The process of reinstatement is available in the office of the assistant principal for student affairs.
- Students who display a pattern of nonattendance may be required to present medical evidence and an attendance intervention form shall be completed.
- Students who are absent from class but not listed on the absentee bulletin shall be reported by the teacher to the appropriate office. Likewise, students who may have been inadvertently reported as absent who are present shall be reported by the teacher to the appropriate office.

In order for further tardies to be excused, medical documentation may be required. *As a school of choice, parents/guardians and students agree to consistent and regular attendance including arriving to school on time to ensure the best learning environment for students and to maximize instructional time.*
