

BDCHS Carpool Connection Directions for Families

BDCHS is helping to organize a way to help connect families who may be interested in carpooling. This is simply a way for parents to have their contact information added to a shared information sheet in order to connect to each other. We will not be making any contact with families in order to organize carpooling. Please read the directions below if you are interested in being added to a carpooling connection list.

Directions:

- Send an email to bdchsphoenixcarpool@gmail.com
- In the body of the email please include the following information:

Parent Name (Last, First)	Email Address	Location (Nearest Intersection closest to the pick-up or drop-off location)	Time of Day (AM/PM/Both)	Carpooling interests (Driving others, Needing a ride, and/or carpooling for dual enrollment)

- You will receive an email reply from bdchsphoenixcarpool@gmail.com with the carpool connection link.
 - Please use this as a resource to connect to families in or around your area who may also be interested in carpooling.
 - Note: For student drivers carpooling other students, written permission from parents is required from the student driver and the student car rider. Please contact Mrs. Meyerson if you have questions about this.

We are looking forward to a great year!

If you have any questions, please send an email to Mrs. Meyerson (nmeyerson@bdchs.org) .
