## Principal's Corner

It has been a historic school year. Our students, families, teachers, and staff had to change the way instruction takes place; however, learning continued and for that, we are proud of our school community. We will continue to stay in touch with our Phoenix Families via email and others modes of communication. Although this is the last edition of the Phoenix News for this academic year, we will continue to stay in touch. For our seniors and their families, you are forever a Phoenix. Please keep us updated on your progress.

We still have much to celebrate. We are looking forward to the End of Year Awards Presentation that will be sent to all families on Friday, May 22<sup>nd</sup> via email. Go Phoenix! Stay well. Be safe.

## Collegiate Sports

Congratulations to our Asa Scott scholarship winners: Ryan Bradarich and Delaney Rinard. We had many great candidates. Thanks to the committee who participated in reading the essays and teacher recommendations. Each winner will receive a \$500 scholarship.

## Phoenix in the Arts

BDCHS had a winner again this year for the Dali High School Surrealism Contest.

Taylor Pogorilich received the "Award of Excellence". The "Award of Excellence" is the highest of their 3 awards, and only 4 out of 100 high school artists received this designation.

Taylor's piece is the featured piece of the show when you open the link below.
