There are multiple ways that you can scan a document and upload it on the website (printer/scanner, mobile app, etc.). Perhaps the simplest way is to take a picture of it on your phone and then upload it. However, you might need to merge those images or PDFs into one file. Here are two great tools that will allow you to merge PDFs into one file and also JPG images.

8. Once you reach the **Confirmation Message** you have completed the process.
9. If you would like to register for additional sports/activities you may check off those sports below the Confirmation Message. PLEASE DO NOT CHOOSE MORE SPORTS THAN YOU CAN ACTUALLY PLAY! Electronic signatures will be applied to the additional sports/activities.
10. All of this data will be electronically filed with your school's athletic department for **review**. When the student has been **cleared for participation**, an email notification will be sent.

Your username is the email address that you registered with.

Multiple Sports

Once you complete a clearance for one sport and arrive at the Confirmation Message, you will have the option to check off additional sports/activities for the current school year. PLEASE ONLY CHECK OFF SPORTS YOU KNOW YOU WILL PLAY. Don't just check ones because you are interested in those.

If you decide to participate in an additional sport/activity later on, you can access the multiple sport check boxes by clicking on "Print" under the Confirmation Message of your original Clearance for that specific year.

Physicals

The physical form your school uses can be downloaded on the Physicals page. Most schools will accept the physical online (done by uploading the completed form on Step #2) as well as turning in a hard copy to the athletic department.

Document Library

This area is meant to store your files so they can be accessed later in the year or perhaps years following. You can either upload your files to the Document Library then apply them to your Clearance on the Physical page OR you can choose/browse for the file on the Physical page and the file will save to the Document Library for future use.
