

Lunch Information

How do I pre-order lunch?

Log onto www.myschoolaccount.com. You will need to provide your child's name and student number to create an account.

Once your account is created you can add money to the account and pre-order lunches. Pre-order lunches are lunches that can be ordered from places such as PDQ, Pizza Hut, Smoothie King, etc.

Pre-ordering must be completed 48 hours before a particular day. For example, if you are ordering for Thursday the ordering will be available until Tuesday evening. Menus will be updated monthly. Also, you can conveniently order for the entire month if you find that easiest.

Pre-ordering online is one of many options we offer along with a la carte items which are available for purchase daily. The money in the lunch account can be used to purchase a la carte items.

What if I forgot to pre-order, but I want to purchase lunch?

Unfortunately you cannot purchase any pre-order items. But we do offer a various food choices available for purchase. Orange Blossom catered lunch is available for purchase as well as a la carte items.

*Money can be added to your child's account via www.myschoolaccount.com or with check and cash with the Cafeteria Manager. Students can also make payments daily.

*Microwaves are provided. If items need to be kept cold, please pack their lunch accordingly as refrigerators are not provided.
