

Hello BDCHS Families,

The BDCHS Cafe staff would like to update you on some important information for the 2021-2022 school year.

Online lunch ordering for the month of August will open up on Wednesday, August 4th. You must first set up a lunch account at www.myschoolaccount.com if you plan on pre-ordering lunches. In order to get started you will need a student ID number and a valid credit/debit card for payments. Pre-ordering will normally close 48 hours before a particular day. For example, if you are ordering for Wednesday you must order by Monday afternoon. You will have until 8:00AM on Sunday, August 8th to pre-order for the first day of school.

Also, you can conveniently order for the entire month of August if you find that easiest. Pre-ordering online is one of many options we offer along with a la carte items which are available for purchase daily.

If you would like to add money to your child's lunch account, it can be done at www.myschoolaccount.com or in person at the register (cash or check). This money can be used to purchase a la carte items such as Gatorade, chips or salads. Also, cash or check will be accepted in person at the register at time of purchase. We are currently working on a way to accept cards and will share that information when available.

If you are interested in the BDCHS Free Lunch Program please fill out an application and return it to the Cafeteria Manager by email at mhedley@bdchs.org or bring it to BDCHS. Please read the instructions at the top of the application so that you can provide the proper paperwork that is included with the application. **I will be available during Open House on Friday, August 6th to answer any questions you may have and provide you with an application.**

The application can be found on the school website at:

<http://bdchs.org/wp-content/uploads/2021/05/BDCHS-Lunch-Program-Application-21.22-editable.pdf>

More information about lunch, such as a sample menu can be found on the Family Portal section of the school's website.

If you have any questions or concerns please contact me at mhedley@bdchs.org.
